XVilakazi@judiciary.org.za

1. Roll call will be held in OPEN COURT on Tuesday, **14 JULY 2026 at 10:00** in accordance with the allocated roll that will be distributed and uploaded onto caselines. Legal practitioners are urged to be at court at 10:00 and make sure that they hand up draft orders that have **no typographical errors** on them. The draft order handed up in Court **must** accord with the one uploaded onto caselines. Matters will be called according to seniority.

COURT ROOM NUMBER WILL BE DISPLAYED ON THE DAILY ROLL

2. An allocation does NOT mean that the matter is considered sufficiently urgent to be heard on the merits. Submissions will need to be made regarding the grounds of urgency.
3. All cases **MUST** be created on Court OnLine and Caselines so that the matters appear and are accessible on both platforms. If any technical problems are experienced, contact General Office Helpdesk for assistance.
4. A practice note must be filed setting out the following:
 - 4.1 The grounds for urgency and where it appears in the founding affidavit;
 - 4.2 Nature of relief sought;
 - 4.3 Total number of pages;

- 4.4 An indication which portion of the papers must be read and which not;
 - 4.5 The estimated duration of the matter;
 - 4.6 If there is non-compliance with the updated practice directive for urgent court, the reasons for such deviation;
 - 4.7 Contact details for both legal practitioners (counsel and attorney of record), which must include both cell phone numbers and email addresses.
- 5. Where no certificate of urgency has been filed and/or no practice note has been filed, the matter will be struck from the roll unless good cause is shown for non-compliance as per the issued directive.
 - 6. Please also note that the master bundle must be properly indexed and paginated and uploaded. Each document must be individually identified in the master bundle, including annexures. If not, it will result in your matter being struck from the roll. **This must be attended to before 16h00 on FRIDAY, 10 JULY 2026.**
 - 7. The profiles on Caselines will be frozen at **16h00 on FRIDAY, 10 JULY 2026. No piecemeal filing of affidavits/documents will be allowed via email etc.**
 - 8. In **all opposed matters**, heads of argument must be filed by both parties.
 - 9. It remains the applicant's responsibility to obtain and report the return date to the Registrar's office. The available dates will be provided by the Registrar on the day of hearing.
 - 10. In the event that a new application, after hours or during court hours, is instituted, the instructing attorney or counsel must contact the secretary of the senior Urgent Court Judge to ascertain which Judge the application will be allocated to. Such applications must include a practice note, the notice of motion and a commissioned founding affidavit for consideration for the matter to be enrolled. This must be done before the matter is created on Court Online and Caselines.
 - 11. During **Office hours**, the Registrar at General Office will issue new applications and General Office will issue a case number. The practice note must adhere to paragraph 4 above. In this regard the provisions of sub-paragraphs 7.1 to 7.4 of chapter 13.24 of the Practice Manual will apply *mutatis mutandis*.

Yours faithfully
